

Hansen Computers
Appointment Invoice

test

Appointment summaryI gave her some lessons on how to use the computer. She learned a lot and took many notes. Fixed an issue with her mail messages not getting sent by updating her software on the iMac. Showed her how to send faxes, scan documents, import audio CDs, send pictures to friends, manage address book entries, and use iChat. Problem Status Problem Fixed Date Printed January 13 2009 09:52 PM
